'about US

JRG is a leading manufacturer and supplier of premium sanitary products located in the heart of Delhi, India. With an unwavering commitment to quality, innovation, and customer satisfaction, we have earned a strong reputation for excellence in the industry. Our primary focus is on the production and distribution of high-quality sanitary products, specializing in Stainless Steel (S.S.), Polyvinyl Chloride (P.V.C.), and Brass materials. Our flagship product, the shower, stands as a testament to our dedication to providing top-tier, hygienic, and aesthetically pleasing solutions.

Your trusted partner in quality sanitary solutions

Why Choose **JRG**?

» Uncompromising Quality

At JRG, quality is our highest priority. Our products are manufactured using premium materials and undergo rigorous quality control checks to ensure they meet international standards.

» Innovation

We are committed to staying ahead in the industry by continuously innovating our products, embracing new technologies, and incorporating the latest design trends.

» Customer Centric Approach

We understand the unique needs of our customers and strive to provide tailored solutions that meet their specific requirements. Our responsive customer support team is always ready to assist.

Shower's

A shower is more than just a routine task; it's an invigorating experience that rejuvenates both body and spirit. It's a sanctuary where water, warmth, and relaxation harmonize, washing away the day's stresses and leaving you refreshed. Showers offer a soothing cascade of liquid comfort, whether it's a gentle rain-like drizzle or a powerful massage jet, delivering a sense of purity and renewal.

Led Elegant Shower

An LED shower without electricity is a marvel of modern ingenuity. Harnessing the power of water flow, these innovative fixtures use built-in turbines to generate energy, illuminating the showerhead with a mesmerizing play of vibrant LED lights. This eco-friendly, electricity-free solution not only adds a touch of enchantment to your bathing experience but also embodies sustainable living by reducing energy consumption. With no need for batteries or external power sources, these LED showers effortlessly blend luxury and environmental consciousness, creating a captivating, energy-efficient ambiance in your bathroom.

The Z-Shape Arm Shower is a testament to ergonomic design and functionality in the world of bathroom fixtures. Its distinctive "Z" shaped arm extends the showerhead from the wall, allowing for greater flexibility and ease of use. This innovative design provides customizable height and angle adjustments, ensuring an optimal shower experience for users of varying heights. The Z-Shape Arm Shower marries form and function, adding a touch of elegance to your bathroom while delivering a versatile and personalized bathing experience.

SS Connection Pipe

The Stainless Steel (SS) Connection Pipe is an essential component in plumbing systems, known for its durability and reliability. Crafted from high-quality stainless steel, it provides a robust, corrosion-resistant connection between various plumbing fixtures, such as faucets, showers, and water heaters. Its longevity and resistance to rust make it a preferred choice for water supply connections, ensuring a leak-free and hygienic plumbing system. The SS Connection Pipe is a cornerstone of efficient plumbing, offering both peace of mind and long-lasting performance.
